RUTH LEE™

PRISONER SECURITY TRAINING MANIKIN

FOR PROFESSIONALS WHO SAVE LIVES

Ruth Lee is a family business whose core values revolve around the care of our employees, service to our customers and uncompromising product quality. We are proud to serve YOU, the dedicated professionals who make such a valuable contribution to society.

We employ highly skilled people and source the most durable materials to ensure our products meet the highest international standards.

Our manikins are designed to represent the correct anatomic weight distribution of a real person, and we offer a range of different models to suit every conceivable scenario. This ensures that your training is as realistic and as effective as possible; preparing you for all eventualities.

PRISONER SECURITY TRAINING MANIKIN

IDEAL FOR THE FOLLOWING TRAINING SCENARIOS:

Used by prisons, law enforcement officials, police forces and Correctional Emergency Response (CERT) teams, for the evacuation of restrained or unconscious prisoners in an emergency situation. The manikin is specially adapted to accept handcuffs for practising restraint techniques, and for the simulation of hanging by ligature, for training in body recovery and evidence preservation.

SPECIAL MATERIALS:

Constructed from the same flame retardant material used in Police ballistic/stab vests, offering 4x the strength and abrasion resistance of 16oz canvas or P.V.C. (conforms to OEKO-TEX® Standard 100, BS EN ISO 12947-2 & 14116: 2008). High density polypropylene webbing (25mm rated to 207 Kg, 50mm rated to 440Kg).

FEATURES & BENEFITS:

- Anatomically correct weight distribution to give the 'feel' of an unconscious casualty.
- Slim wrist feature for handcuff training.
- Neck reinforced with heavy duty webbing for ligature training.
- Strong webbing loop at the back allows easy handling, storage and suspension for drying.
- Water repellent material, making it suitable for wet or foul scenarios.
- Soft body joints to eliminate the risk of pinch welts and bruising; common injuries when using plastic bodied manikins.
- An immobilisation/extrication collar can be fitted around the neck of our adult manikins to promote proper casualty care.
- Comes complete with boots, overalls, and wrist cuff which are easily replaced if damaged.

NOT SUITED FOR:

- Use in temperatures above 100°C or flashover scenarios – See our Fire House manikin.
- Use in water – See our Water Rescue range.

OPTIONAL EXTRAS:

- Tough drag protectors and overalls to greatly extend the life of your manikin.
- Shoutbox and hood to give your casualty the power of speech to add extra realism.
- Face mask and wig for a more human-like appearance.

EXTENSIVELY USED BY:

- UK Police Forces and law enforcement officials.
- UK Prison Service.
- Equivalent organisations across North & South America, Europe, Australia and Asia.

AVAILABLE WEIGHTS & SIZES:

DESCRIPTION	MODEL CODE	HEIGHT (M)	WEIGHT (KG)	NATO STOCK #
